DECLARATION UNDER 37 C.F.R 1.131

We, Justin C. Chuang, and Shailender Timiri, declare the following:

We are the two inventors named in the application identified above;

We made the invention described and claimed in that application prior to
March 30, 2000;

As evidence of that declaration, attached to this paper as Exhibit 1 is a
copy of an invention submission letter dated February 10, 2000, and entitled
PROGRESSIVE REUSE PARTITIONING FOR IMPROVED INTERFERENCE
REJECTION IN WIRELESS PACKET NETWORKS. Attached also as Exhibit 2 is a
copy of a paper that was written by us, and submitted with Exhibit 1, titled
PROGRESSIVE REUSE PARTITIONING FOR IMPROVED INTERFERENCE

REJECTION IN WIRELESS PACKET NETWORKS. The paper describes various aspects of a wireless frequency reuse method that promotes improved interference rejection, and was the basis for the patent disclosure in the application referenced above.

Declarants acknowledge that willful false statements and the like are punishable by fine or imprisonment, or both (18 U.S.C. 1001) and may jeopardize the validity of the application or any patent issuing thereon. All statements made of the declarants' own knowledge are true and all statements made on information and belief are believed to be true.
